

Where to park while at WFRC

- You can park on Steinman St. and Arnold St. (away from the intersection). If you park on Arnold, you won't have to cross a street.
- You can park in any of the spots around our building. Parking is very limited directly behind us, however, an accessible/handicapped parking spot is available as indicated by an **A** on the map above.
- Please do not park in New Hamburg Veterinary Clinic parking spots.
